

BOOKMARK

A PROJECT TO
HELP YOU ENJOY
YOUR FAVORITE
BOOK!

SUPPLIES NEEDED

- Color cardstock
- Clear Contact paper
- Ribbon
- Stickers
- Double-sided tape

STEPS TO MAKE YOUR OWN BOOKMARK

1. Draw, paint or color your own picture on one side of the cardstock.
2. On the other side, attach the 3 stickers and decorate anyway you want!
3. Sign your name as the artist.
4. Carefully remove the backing from the contact paper and fold over the bookmark. Push down the edges to make sure they stick.
5. Ask an adult to help you poke a hole through the contact paper where the pre-made hole is.
6. Put the ribbon/string/yarn through the hole and tie a knot.
7. Enjoy the bookmark yourself in your favorite book or give it to someone as a special gift!

DID YOU KNOW?

In the early Middle Ages an Irish monk ordered a fly, who was always running on the pages of his book during the reading, to sit down on the last line he had read until he would resume his reading. The fly obeyed! And so, the first bookmark was invented!
