

SKITTLES ART

A FUN SKITTLES
SCIENCE EXPERIMENT
FOR THE KIDDOS!

SUPPLIES NEEDED

- Skittles
- Warm water
- Cup
- Plate

HOW TO MAKE A SKITTLES RAINBOW

1. Make a circle with different colored skittles on a round plate.
2. Warm up some water in a glass.
3. Slowly pour the water in the center of the circle.
4. Watch the magic!

DID YOU KNOW?

Skittles ranks among America's favorite Halloween candies. Originally, Skittles came in red, orange, green, purple, and yellow. Though they're marketed as different flavors, Original Skittles actually have the same taste!
