

# STRING ART

STRING ART IS SO  
PRETTY AND SO  
SIMPLE TO CREATE!

## SUPPLIES NEEDED

- 2 pieces of paper about the same size
- 18 inches of string or yarn

## STEPS TO MAKE YOUR OWN STRING ART

1. Cut a piece of string about 18 inches long.
2. Keeping one end clean (to hold onto), dip it into your small container of homemade paint until it is completely covered.
3. Carefully lift it from the paint and lay it on the paper, making loops as you go. (You can use multiple strings and colors!)
4. Lay the second piece of paper on top.
5. Place a tissue box or small cracker box on top. Using one hand to hold the box, slowly pull the string out from between the papers.
6. Carefully pull apart the two pieces of paper. You created a masterpiece!

## DID YOU KNOW?

A painting by world-renowned artist Matisse was hung upside down at the Museum of Modern Art in New York City for 46 days without anyone noticing
